### Agenda Items:

- a. Gordon Gallagher from Spring Lake Township shared the Spring Lake Annual Report (to be attached) this is also available on the Township website, as well as the Township newsletter.
  - i. Received the Township of Excellence Award from the State of Michigan. We are 1 out of 4 townships in the state to receive this award.
  - ii. Ottawa County Water Resource Department has received a request for a drainage district – will take 2-3 months. It is a 3 person board totally independent from the county. The Township has seen multiple problems this year and has received 5 new petitions for drainage districts (our neighborhood being one of them)
  - iii. Investment in community
    1. 5 new neighborhood developments
    2. Township has not yet received a plan for the property to the south of NHH at this time.
- b. Treasurers Report is available to all for review
- c. Summary of Board Activities reviewed with those in attendance
- d. Request for New Members for the board shared with those in attendance
- e. Discussed the high water table and the number of neighbors who have had basement flooding. Tom Peterson has purchased a pump and hose to drain the pond on Sioux. A request was made to help with the cost of the pump by requesting an additional 5 dollars per household when annual dues go out. No decision made.
  - i. Flooding could decrease the value of neighborhood
- f. Oak wilt Disease discussed- recommend people do not cut trees until the sap stops running. There was a request for known locations of trees with the disease but no one person knows this information.
  - i. Will add resources like MSU extension to the NHH newsletter
- g. Speeding in neighborhood discuss request people drive the speed limit in the neighborhood.
- h. Recycling- list of items available from S. Wilcox- can post on website.
